

Let You Down Easy.
The gentleman in the limp attachment is apparently in an awkward plight. His position is analogous to the citizen who is called upon to do his own shopping and is unversed in the mysteries of grades and prices. But if he visits Smith & Swingle he need have no fear of being "done up" with his purchases.

"Promoters of Low Prices, Paralyzers of High Prices."

THE READY-PAY STORE!

Shenandoah, Penna.

Our opening has proven a grand success, far beyond our expectations. We have solved the problem of giving greater value for the money than any other store in town. Our method of doing this is simple enough when you master it, and consists in having cash with which to buy at the very lowest notch and the judgment to know a good thing when we see it. Having purchased at prices away below what our competitors have to pay, we offer goods at prices they cannot meet.

Throwing Away Money.
This saucy individual, like many other reckless and improvident persons in this town, who throws away money in paying exorbitant prices for groceries, should go to the ant and learn wisdom, or make their purchases of Smith & Swingle—promoters of low prices, paralyzers of high prices. They have inaugurated sweeping reductions in their line of goods, which consists of the finest line of foreign and domestic groceries. Call and be convinced.

A Cheerful Home.

"Well, Mary, how cheerful your home is. You always have such a cheerful fire."
"Yes, the fire; we always have good fire since we got our coal from Zerbe & Co's Mountain Colliery. Before we always had such a time getting a fire in the morning. That made us all cross and crabbed; but now everything is lovely. And, besides, it is cheaper. Mart Shoemaker takes orders, does the collecting and delivering."

A Voice From Florida

Dr. W. F. Bryant, Live Oak, Florida, says, Red Flag Oil is one of the most successful pain cures he sell. It's an unfailing remedy for Rheumatism, Neuralgia and Sprains. Red Flag Oil costs 25 cents. Sold at F. J. Kiffin's drug store.

A Corner in Hats.

Some hats are neither worth throwing nor taking out of a corner. A good hat is light, durable, stylish and a pleasure to the wearer; a bad hat isn't worth powder enough to blow it into position. Good hats are so more expensive than bad ones, but bad hats are expensive at any price and sensible men couldn't be paid to wear them. Our hat is a perfect gem, and there is no reason to be without one at this low figure. The same is true of our tie, Neckwear and Suspenders. Good shirts from 25c up to \$2. All the newest things in gents' underwear, collars and cuffs. Everything at rock bottom prices.
